URSA

(University Records System Access)

URSA is UCLA’s student record access system. When you enroll, you receive your UCLA ID in an e-mail. You use the UCLA ID to set up a UCLA logon and password on URSA (www.ursa.ucla.edu). You will then use URSA to enroll in courses, view your course schedule, add or drop a course, make a payment, and check your course grades at the end of the term.

ENROLLMENT CHANGES

The deadlines in this section are based on regular six-week Session A and C classes. If you are participating in a program of a different length, your deadlines may be different.

How to Add a Course:

Week One:
All course changes during Week One can be done via URSA.

Weeks Two and Three:
All course changes during Weeks Two and Three can be made via URSA or with a Student Update Form. Student Update Forms can be obtained at 1147 Murphy Hall. To add a course at this time, students must ask the course instructor for a Permission to Enroll (PTE) number. This five-digit number will give you a space in the course.

Deadlines:
Students may add a course anytime before 5:00 p.m. Friday of Week Two. Please note that July 4th is an administrative holiday and no classes will be held. Beginning Monday of Week Three a $100 Late Fee will be assessed when a course is added.

How to Drop a Course:
If a student drops a class before 5:00 p.m. Friday of Week Two, all fees will be refunded minus a $100 processing fee. No refunds will be given for courses dropped after Week Two of classes.

Weeks One through Four:
Students may drop courses via URSA anytime during the first four weeks of the session.

Wait Lists
During Week One, if you are on a wait list for a class that is full, you may become enrolled as other students drop the class. But you may also ask the instructor for a PTE number. Enrollment does not happen automatically; you must add the course yourself via URSA or a Student Update Form by the appropriate deadlines.

If you are not doing well in a class, we strongly suggest that you drop it or change to another course as soon as possible.

Students are not automatically dropped from a class if they do not attend or stop attending at a later date. There is no automatic drop policy at UCLA.

Week Five and Six:
Beginning Week Five, all drops must be done using a Student Update Form that contains the instructor’s signature certifying that the course was not completed. The student update form can be downloaded from the Summer Sessions Web site: www.summer.ucla.edu. The form must be submitted to 1113 Murphy Hall.

Grading Basis Changes:
Students may change their grading basis from letter grade to P/NP (Pass/No Pass) on the URSA Web site.
Transcripts

At the end of the term, you may request a transcript online through URSA at www.ursa.ucla.edu. For more information, please visit www.registrar.ucla.edu forms or call (310) 825-3801.

Please call 9-1-1 for any emergencies.

**CONDUCT**

In order to carry on its work of teaching, research, and public service, the University expects that each member of its community will assume responsibility for the successful functioning of the institution.

As members of our academic community for the summer you will be afforded the same rights and privileges as regular full-time UCLA students. With this comes the responsibility to behave in a way that is in compliance with the UCLA Student Conduct Code (Code).

You will be expected to familiarize yourself with the Code so that you are aware of the rules and regulations that exist to keep UCLA a safe and productive environment.

Since the rules and regulations at your high school may be different than those at UCLA, we hope that you will not only read the Code but also ask for clarification as needed. Certain behaviors that are acceptable at your high school may not be acceptable at UCLA. Failure to comply with the Code can result in dismissal from UCLA Summer Sessions.

Please visit the Office of the Dean of Students in 1206 Murphy Hall or their Web site at www.deanofstudents.ucla.edu to obtain a copy of the Code.
