

# Degree Progress Guide for Majors + Minors

Summer Fast Pass for Majors and Minors serves as a guide for how undergraduate students with a major and a minor can utilize summer to effectively manage their course schedule and make significant degree progress. It is intended to show what is possible with the inclusion of the summer term in a student's academic journey

The course options listed under each major + minor pairing were selected based on previous summer course offerings and major/minor requirements outlined on each individual department's website. Several course options are listed under each year to provide maximum flexibility for student scheduling and to encourage students to create their own personalized fast pass.

This specific guide is designed for undergraduate students admitted as a freshman who are **majoring in English** and **minoring in Film TV & Digital Media**.

**Disclaimer:** Please note, the Summer Fast Pass for Majors + Minors serve as a **general guide ONLY**. Final enrollment decisions will ultimately depend on a student's current progress in the major and/or minor. It is a student's responsibility to ensure they meet the prerequisites for any courses prior to enrolling. Please defer to the major and/or minor's department for degree specific questions.
