

Family Income Eligibility Tables

You are eligible to apply for UCLA Summer Sessions' Bruin Ascent Summer Experience (BASE) if your household adjusted gross income (AGI) is **equal to or lower than** the amount in the table applicable to you. The below tables and their numbers are pulled from the California Department of Housing & Community Development's annual State Income Limits report.

To find the applicable table for you, please select the California county you live in and view the row that matches the number of persons in your household. Your adjusted gross income (AGI) can be found on Line 11 of the 1040 IRS Tax Form. If your household does not have tax documents available, please email confidential@summer.ucla.edu to discuss alternate options for providing financial documentation.
